Before providing your TFN to the Trustee, the Trustee is required to tell you that:

- the Trustee is authorised to collect your TFN under the Superannuation Industry (Supervision) Act 1993, from a range of sources including yourself, your employer or the ATO. You can, however, notify us in writing not to record your TFN
- it is not an offence not to provide your TFN; however, if you do not supply it you will not be able to make personal contributions to your account, and you may have to pay more tax than you would otherwise pay on your contributions to your account, and payments you receive from us. Furthermore, without your TFN it may be more difficult for us to locate your benefit
- your TFN will be used for legal purposes only, including finding or identifying your super benefits in the superannuation fund, calculating tax on super payments and providing information to the ATO. These purposes may change in the future
- if you provide your TFN, it may be provided to another super plan or retirement savings account provider that receives any transferred benefits in the future (unless you notify us in writing not to forward your TFN) and may also be given to the ATO

apart from the above uses, your TFN will be kept confidential.
